WASHINGTON 25, D. C.

MEMORANDUM FOR:

Chairman

IAC Ad Hoc Committee

25X1

SUBJECT:

Comments on the drafts of a Recommended U.S.  
Policy toward Soviets and Soviet Orbit  
Official Representatives on Duty in the U.S.,  
and Letter of Transmittal Thereof.

1. As requested in paragraph 2 of memorandum for Members,  
IAC Ad Hoc Committee of 24 August 1950, the Air Force member of  
the IAC Ad Hoc Committee has reviewed the enclosures to the  
memorandum and approves the drafts, provided that the following  
statement is included in the letter of transmittal at the end of  
paragraph 3:

a. "It was the opinion of the majority of the Committee  
that an overly strong U.S. policy would tend to defeat itself. The  
minority viewpoint (Air Force) was that a stricter policy would,  
on the contrary, be recognized by the Soviets as a forceful and  
determined expression of U.S. policy, and would tend, therefore,  
to develop a bargaining position which could only result in an  
alleviation of restrictions presently imposed on U.S. officials  
on duty in Soviet orbit nations."
